**JUDGMENT
AND PROB/
COMM
ORDER**

The Court asked whether there was any reason why judgment should not be pronounced. Because no sufficient cause to the contrary was shown, or appeared to the Court, the Court adjudged the defendant guilty as charged and convicted and ordered that: Pursuant to the Sentencing Reform Act of 1984, it is the judgment of the Court that the defendant is hereby committed to the custody of the Bureau of Prisons to be imprisoned for a term of: **Eighty-Four (84) Months.**

It is ordered that the defendant shall pay to the United States a special assessment of \$100.00, which is due immediately. Any unpaid balance shall be due during the period of imprisonment, at the rate of not less than \$25.00 per quarter, and pursuant to the Bureau of Prisons' Inmate Financial Responsibility Program.

Pursuant to Guideline Section 5E1.2(a), all fines are waived as it is found that the defendant has established that he is unable to pay and is not likely to become able to pay any fine.

The Court recommends that the Bureau of Prisons conduct a mental health evaluation of the defendant and provide all necessary treatment.

Upon release from imprisonment, the defendant shall be placed on supervised release for a term of three (3) years under the following terms and conditions:

1. The defendant shall comply with the rules and regulations of the United States Probation Office and General Order 05-02.
2. The defendant shall not commit another federal, state or local crime.
3. The defendant shall cooperate in the collection of a DNA sample from the defendant
4. The defendant shall pay the special assessment in accordance with this judgment's orders pertaining to such payment.
5. The defendant shall refrain from any unlawful use of a controlled substance or use of alcohol. Further, the defendant shall submit to one drug test within 15 days of release from imprisonment and at least two periodic drug tests thereafter, not to exceed eight tests per month, as directed by the Probation Officer.
6. The defendant shall participate in mental health treatment, which may include evaluation and counseling, until discharged from the treatment by the treatment provider, with the approval of the Probation Officer.

7. A directed by the Probation Officer, the defendant shall pay all or part of the costs of treating the defendant's psychiatric disorder to the aftercare contractor during the period of community supervision, pursuant to 18 U.S.C. § 3672. The defendant shall provide payment and proof of payment as directed by the Probation Officer.
8. The defendant shall not associate with anyone known to him to be a Mexican Mafia gang member and others known to him to be participants in the criminal activities of the Mexican Mafia, with the exception of his family members. He may not wear, display, use or possess any gang insignias, emblems, badges, buttons, caps, hats, jackets, shoes, or any other clothing that defendant knows evidence affiliation with the gang, and may not display any signs or gestures that defendant knows evidence affiliation with the Mexican Mafia gang.
9. As directed by the Probation Officer, the defendant shall not be present in any area known to him to be a location where members of the Mexican Mafia gang meet and/or assemble
10. The defendant shall submit his person and property, including any residence, premises, container, computer or other digital device, or vehicle under his control, to search and seizure at any time of the day or night by any law enforcement officer or probation officer, with or without a warrant, probable cause, or reasonable suspicion.
11. The defendant shall comply with the immigration rules and regulations of the United States, and if deported from or removed from the United States, either voluntarily or involuntarily, not reenter the United States illegally. The defendant is not required to report to the Probation Office while residing outside of the United States; however, within 72 hours of release from any custody or any reentry to the United States during the period of Court-ordered supervision, the defendant shall report for instructions to the United States Probation Office, located at 411 West Fourth Street, Suite 4170, Santa Ana, California 92701.

The Court authorizes the Probation Office to disclose the Presentence Report, and/or any previous mental health evaluations or reports, to the treatment provider. The treatment provider may provide any information (excluding the Presentence Report), to State or local social service agencies (such as the State of California, Department of Social Services), for the purpose of the client's rehabilitation.

The Court advises the defendant of his right to appeal.

The Court recommends placement in a Southern California facility. The Court further recommends placement in a facility with both mental health and drug treatment programs (or the Dual Diagnosis Program).

In addition to the special conditions of supervision imposed above, it is hereby ordered that the Standard Conditions of Probation and Supervised Release within this judgment be imposed. The Court may change the conditions of supervision, reduce or extend the period of supervision, and at any time during the supervision period or within the maximum period permitted by law, may issue a warrant and revoke supervision for a violation occurring during the supervision period.
